SUPPORT *the* UNC SCHOOL OF GOVERNMENT

For the entirety of its 90 years of existence, the School of Government's mission has been focused on the people of North Carolina. Through our commitment to offering high-quality education, advising, and support to public officials across the state, we improve the lives of North Carolinians. We firmly believe this work is more critical than ever.

You can help us continue to fulfill our mission.

Today is GiveUNC, the University's annual giving day. No matter where you direct your gift to the School of Government, your generosity makes a tremendous difference. We are grateful for your support of both the School and the state of North Carolina.

I hope you'll join us and take part in GiveUNC. Thank you for your support as we celebrate 90 years of service to the state of North Carolina.

Mike Smith

Dean, School of Government
